

# Elegant Two Braid Bracelet

makes a 7" rubber band bracelet

## Materials:

EZ Looper, Hook, Two clips  
120 Red bands, 10 Yellow bands

Mark Peg **A** with nail polish it's above the EZ Looper logo. Always work clockwise.

## Setup:

**1st Row:** Starting at Peg B add one band by twisting into figure 8 & pulling across to Peg F. Add another band to Peg C by twisting into figure 8 & pulling across to Peg E.

**2nd Row:** Repeat Row 1, no twisting needed.

**3rd Row:** Add a band of your choice of color to all 4 pegs and pull around.

Use hook and lift bottom band over two bands and release. Continue until desired length.

Work down to single layer then lift band off of Peg B over to Peg C. Lift bottom band over and off of EZ Looper. Continue clockwise lifting band over to adjacent Peg until you have two bands on tool. Using hook, lift ends off of tool and attach to clip.

## Finish (Follow the illustrations below)
